Dear Ms. Dortch:

On April 5, 2007, Bert Williams, Vice President, Tropos Networks, and I met with individuals of the Office of Engineering and Technology. Present at the meeting were Mr. Julius Knapp, Mr. Alan Stillwell, Mr. Ira Keltz, Mr. Mark Settle and Mr. Rashmi Doshi. During our discussion we referred to Tropos' position urging the Commission to complete its work on the Petitions for Reconsideration addressing the 3650 MHz band. This position is detailed in Tropos' *ex parte* communication of March 13, 2007. A copy of the March 13, 2007 letter was provided.

Respectfully,
